

St Patrick's Catholic Primary School

PE and Sports Premium - Allocation and Spending 2016 - 2017

Background

With the success of the London 2012 Olympics and Paralympics, the government wanted to ensure that we were nurturing the next generation of Olympians. The government were mindful that this must begin in schools. In order to achieve this, the provision of PE and sports in primary schools had to improve and therefore committed to providing additional funding to enhance PE and sports within primary schools across the country.

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of all those within St Patrick's Catholic Primary school. The aim is to encourage development of healthy active lifestyles.

School context

St Patrick's is a diverse inner-city school. We are a single form entry school and of average size. The school has developed a curriculum to provide the children with a broad range of experiences and knowledge. We strive to provide a top quality education and recognise children's individual strengths and achievements. The school is an inclusive school with a high percentage of children with English as an Additional Language and children with Special Educational Needs.

	% of disadvantaged pupils	% of EAL pupils	% of SEN pupils	% pupils from minority ethnic groups	% of pupil stability	School deprivation indicator
School	57.1	35.1	22.3	64.4	77	0.47
National	25.2	20.1	12.1	31.6	85.7	0.21

(The above information was correct as on November 2016)

At St Patrick's Catholic Primary School, we believe that sport plays a crucial role in the contribution to the health and well being of our children. We also believe that sporting excellence and participation go hand in hand with academic standards. We are very proud of our sporting achievements across the school and as a school, we offer a wide range of extra curricular clubs and opportunities to participate in competitions. In February 2015 we successfully gained the prestigious AfPE award and once again achieved the Healthy Schools Award in June 2016.

St Patrick's Catholic Primary School aim to deliver a wide range of activities and opportunities to all children and classes. Year 3 and Year 6 will attend a residential with some physical activity activities. We also commit to ensuring children have opportunities to partake in physical activity at their own level through our 'Kick off Kilometre' three times a week. Throughout the year, we will ensure the children are offered the 2 hours of physical activity through a curriculum PE lesson with the class teacher and a sport lesson with a coach. This will ensure there is coverage of the National Curriculum, as well as children experiences a range of sports and progressing in given skills. All children in Key Stage 2 will have a weekly swimming lesson for one term.

2016 - 2017 PE and Sports grant allocation and intended expenditure

Based on the government funding formula of £8,000 per school and £5 per eligible pupil we are expecting a grant of £8,870. The school will also use some of their funding and pupil premium grants to assist with the below projects.

The following table outlines how St Patrick's Catholic Primary School has committed the funding to the following initiatives.

Proposed School Sports Funding Spending Plan 2016 - 2017			
Aim / Proposal	Cost	Nature of support	Success criteria
To support and engage the least active children through developing outdoor play	£7,000	Outdoor play and physical activity	Develop our outdoor space to make it more appealing for children and engage those who don't necessarily participate in extra curricular sports clubs.
To develop opportunities for children to experience a wider range of sports (Outdoor adventurous sports)	£1,000	Enrichment beyond the curriculum	Each class to organise a day trip which incorporates physical education. Children will experience new activities, which may often entail an element of risk. Children's knowledge and understanding of risk will be developed. They will face new challenges and work together to overcome any barriers.
To increase the participation in physically active clubs	£1,000	Enrichment beyond the curriculum	Pay for specialist coaches or support staff to run extra curricular clubs (lunch or after school). There will be an increased up take in physical activity clubs.
To provide cross curricular learning opportunities for children.	£1,000	Curriculum learning	Plan various cross curricular opportunities - hold a sports and science week during the summer term. Purchase resources to support this learning. Enhance themed weeks (such as International Week) with specialist external agencies or organisations to deliver activities alongside class teachers.
TOTAL;	£10,500		
*Additional spending will be provided through school budget and pupil premium funding. Other funding opportunities may be sought. *			

Impact of School Sports Expenditure 2016 - 2017

Aim / Desired outcome	Cost	Chosen action / approaches	Evidence	Estimated impact: Did you meet the success criteria?	Lessons learned (and whether you will continue with this approach)
To support and engage the least active children through developing outdoor play Nature - Outdoor play and physical activity	£9,200	Four pieces of outdoor gym equipment	Photos School Council minutes Pupil interview feedback	Wasted space outdoors has now been developed into activities which are usable all year round. Children use the equipment at every opportunity (yard times and lesson times). Those less interested in physical activity are now participating with this equipment.	Very successful suggestion with the support of school council. Purchase 'risk signs' to allow the equipment to be used outside school hours by families.
To develop opportunities for children to experience a wider range of sports (Outdoor adventurous sports) Nature - Enrichment beyond the curriculum	£1,500	Each year group taking a walking trip in summer term Wide range of sports incorporated into trips 3 different residential trips	School blogs and photos Educational Visits report	A wide range of trips offered give our children enriched experiences and increased enjoyment. These trips links to different subjects across the curriculum to enhance the learning taking place. Children are beginning to understand the risk involved in different activities and face challenges together to overcome any barriers or fears.	Continue to offer children new experiences and sporting activities. Invest money and time in residential trips to ensure the 3 current residential trips continue to happen each year.

<p>To increase the participation in physically active clubs Nature - Enrichment beyond the curriculum</p>	<p>£1,000</p>	<p>Additional sports clubs (some tailored by invitation only and some open to all)</p>	<p>Club attendance analysis Number of clubs offered Team participation analysis</p>	<p>KS1 clubs increased from 48.8% participation to 84.2% and KS 2 participation increased from 71.6% to 77.2%. Overall the whole school participation in physically active extra curricular club increased from 64.6% to 79.5%. A large increase across KS1 and slight increase in KS2 allowed more children to be active and enjoy structured sporting activities.</p>	<p>Continue to offer lunch times clubs - look at a tailored programme around LSSP competition calendar</p>
<p>To provide cross curricular learning opportunities for children. Nature - Curriculum Learning</p>	<p>£1,000</p>	<p>PE and Science week Increased science and geography links</p>	<p>Blogs and photos Pupil feedback Science books</p>	<p>Doctor and Spots Scientist visitor for class talks about careers. Wide variety of sports introduced (yoga with SR, whole school work out with The Fitness Coach and high intensity boot camp with Pure Gym) - impact of bodies and mind discussed and investigated to deepen the learning taking place.</p>	<p>Look at holding a geography and PE week next academic year - link with trips and walking and use of map skills.</p>
<p>TOTAL:</p>	<p>£12,800</p>				
<p>*Additional spending will be provided through school budget and pupil premium funding. Other funding opportunities may be sought. *</p>
