

St Patrick's Catholic Primary School

PE and Sports Premium - Allocation and Spending 2017 - 2018

Background

With the success of the London 2012 Olympics and Paralympics, the government wanted to ensure that we were nurturing the next generation of Olympians. The government were mindful that this must begin in schools. In order to achieve this, the provision of PE and sports in primary schools had to improve and therefore they committed to providing additional funding to enhance PE and sports within primary schools across the country.

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of all those within St Patrick's Catholic Primary school. The aim is to encourage development of healthy active lifestyles.

School context

St Patrick's is a diverse inner-city school. We are a single form entry school and of average size. The school has developed a curriculum to provide the children with a broad range of experiences and knowledge. We strive to provide a top quality education and recognise children's individual strengths and achievements. The school is an inclusive school with a high percentage of children with English as an Additional Language and children with Special Educational Needs.

	% of disadvantaged pupils	% of EAL pupils	% of SEN pupils	% pupils from minority ethnic groups	% of pupil stability	School deprivation indicator
School (Sept 2017)	49	29	23	63	77	0.47
National (Nov 2016)	25.2	20.1	12.1	31.6	85.7	0.21

(The above information was correct as on September 2016)

At St Patrick's Catholic Primary School, we believe that sport plays a crucial role in the contribution to the health and well being of our children. We also believe that sporting excellence and participation go hand in hand with academic standards. We are very proud of our sporting achievements across the school and, as a school, we offer a wide range of extra curricular clubs and opportunities to participate in competitions. In February 2015, we successfully gained the prestigious AfPE award and once again achieved the Healthy Schools Award in June 2016.

St Patrick's Catholic Primary School aims to deliver a wide range of activities and opportunities to all children and classes. Year 3 and 4 and Year 6 will attend a residential with some physical activity activities. We also commit to ensuring children have opportunities to partake in physical activity at their own level through our 'Kick off Kilometre' three times a week. Throughout the year, we will ensure the children are offered the 2 hours of physical activity through a curriculum PE lesson with the class teacher and a sport lesson with a coach. This will ensure there is coverage of the National

Curriculum, as well as children experiencing a range of sports and progressing in given skills. All children in Key Stage 2 will have a weekly swimming lesson for one term.

2016 - 2017 PE and Sports grant allocation and intended expenditure

Based on the government funding formula of £16,000 per school and £10 per eligible pupil we are expecting a grant of £18,050. The school will also use some of their funding and pupil premium grants to assist with the below projects.

The following table outlines how St Patrick's Catholic Primary School has committed the funding to the following initiative

Proposed School Sports Funding Spending Plan 2017 – 2018

Aim / Proposal	Cost	Nature of support	Success criteria
To provide Top Up swimming for those Year 6 pupils who did not achieve 25m independent swimming	£500	Curriculum support and development- assisting children in achieving the statutory standard for swimming in Year 6	All Year 6 children will participate in curriculum swimming in the autumn and complete an assessment at the end. Those children who don't achieve 25m distance will participate in intensive top up swimming lessons in the summer term to assist them in becoming more confident and competent in the water.
Schemes of work - purchase SoW along with training for each unit to support teacher knowledge and increase confidence.	£500	Curriculum development - increased confidence, knowledge and skills of all staff in teaching PE and sport	Schemes of Work purchased for all year groups and for each topic. Staff have received training. Staff integrate useful parts, sections and ideas from these SoW. Staff confidence increased and higher standard of curriculum delivery.
Provide tailored training opportunities to develop staff knowledge and understanding across a range of sports and activities.	£3,000	Staff professional development - increased confidence, knowledge and skills of all staff in teaching PE and sport	All new staff (teachers and support staff) will have high level of knowledge and understanding of the skills and objectives in gymnastics across all year groups. Increased confidence and better quality of lessons delivered. Create other opportunities for specialist coaches to work alongside both teachers and teaching assistants.
To provide children with opportunities in a variety of sports and day trips	£1500	Wider opportunities and enrichment beyond the curriculum - broader experience of a range of sports and activities offered to all pupils	Children across each year group on a walking trip (with links to science and geography). Some year groups provided with opportunities such as residentials and different sporting activities / trips they may not otherwise enjoy.
To sustain the teacher and pupil enthuse and commitment to extra curricular physical activities and physical health	£2,550	Wider opportunities and enrichment beyond the curriculum - broader experience of a range of sports and activities offered to all pupils and increased participation in competitive sport.	The number of children attending a club which has a physical activity and health element will at least be sustained (if not increase). Skills and hobbies on staff will be utilised and staff paired together to promote learning and development. External coaches will be sought when required. Club links will be developed with local clubs and children / parents will be sign posted to access these services.
To improve the physical activity offer on the yard by improving the usability of the space	£10,000	Outdoor learning and physical activity - the engagement of <u>all</u> pupils in regular physical activity - kick-starting healthy active lifestyles	New equipment / resources priced, purchased and installed (if necessary) to improve the outdoor experience for children at break and lunchtime. Children will indicate they feel there is more on offer during these free choice periods.

TOTAL:	£18,050
*Additional spending will be provided through school budget and pupil premium funding. Other funding opportunities may be sought. *	

Impact of School Sports Expenditure 2017 - 2018					
Aim / Desired outcome	Cost	Chosen action / approaches	Evidence	Estimated impact: Did you meet the success criteria?	Lessons learned (and whether you will continue with this approach)
TOTAL:					
	*Additional spending will be provided through school budget and pupil premium funding. Other funding opportunities may be sought. *				

The impact of the School Sports Expenditure for academic year 2017 - 2018 will be July 2018.
