## PE and Sports Premium - Allocation and Spending 2018 - 2019

### Background

With the success of the London 2012 Olympics and Paralympics, the government wanted to ensure that we were nurturing the next generation of Olympians. The government were mindful that this must begin in schools. In order to achieve this, the provision of PE and sports in primary schools had to improve and therefore they committed to providing additional funding to enhance PE and sports within primary schools across the country.

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of all those within St Patrick's Catholic Primary school. The aim is to encourage development of healthy active lifestyles.

### School context

St Patrick's is a diverse inner-city school. We are a single form entry school and of average size. The school has developed a curriculum to provide the children with a broad range of experiences and knowledge. We strive to provide a top quality education and recognise children's individual strengths and achievements. The school is an inclusive school with a high percentage of children with English as an Additional Language and children with Special Educational Needs.

At St Patrick's Catholic Primary School, we believe that sport plays a crucial role in the contribution to the health and well being of our children. We also believe that sporting excellence and participation go hand in hand with academic standards. We are very proud of our sporting achievements across the school and, as a school, we offer a wide range of extra curricular clubs and opportunities to participate in competitions. In February 2015, we successfully gained the prestigious AfPE award and once again achieved the Healthy Schools Award in June 2016.

St Patrick's Catholic Primary School aims to deliver a wide range of activities and opportunities to all children and classes. Year 3 and 4 and Year 6 will attend a residential with some physical activity activities. We also commit to ensuring children have opportunities to partake in physical activity at their own level through our 'Kick off Kilometre' three times a week. Throughout the year, we will ensure the children are offered the 2 hours of physical activity through a curriculum PE lesson with the class teacher and a sport lesson with a coach. This will ensure there is coverage of the National

Curriculum, as well as children experiencing a range of sports, and progressing in given skills. All children in Key Stage 2 will have a weekly swimming lesson for one term.

### Swimming

All Key stage 2 pupils attend a full term of swimming lessons at the local swimming pool with each individual lesson lasting 30 minutes. Many of our pupils do not get the opportunity to go swimming outside school so it has been decided to introduce them to the water at the beginning of Key Stage 2 to hopefully increase their confidence in water based activities.
