

St Patrick's Catholic Primary School

PE and Sports Premium - Allocation and Spending 2018 - 2019

Background

With the success of the London 2012 Olympics and Paralympics, the government wanted to ensure that we were nurturing the next generation of Olympians. The government were mindful that this must begin in schools. In order to achieve this, the provision of PE and sports in primary schools had to improve and therefore they committed to providing additional funding to enhance PE and sports within primary schools across the country.

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of all those within St Patrick's Catholic Primary school. The aim is to encourage development of healthy active lifestyles.

School context

St Patrick's is a diverse inner-city school. We are a single form entry school and of average size. The school has developed a curriculum to provide the children with a broad range of experiences and knowledge. We strive to provide a top quality education and recognise children's individual strengths and achievements. The school is an inclusive school with a high percentage of children with English as an Additional Language and children with Special Educational Needs.

At St Patrick's Catholic Primary School, we believe that sport plays a crucial role in the contribution to the health and well being of our children. We also believe that sporting excellence and participation go hand in hand with academic standards. We are very proud of our sporting achievements across the school and, as a school, we offer a wide range of extra curricular clubs and opportunities to participate in competitions. In February 2015, we successfully gained the prestigious AfPE award and once again achieved the Healthy Schools Award in June 2016.

St Patrick's Catholic Primary School aims to deliver a wide range of activities and opportunities to all children and classes. Year 3 and 4 and Year 6 will attend a residential with some physical activity activities. We also commit to ensuring children have opportunities to partake in physical activity at their own level through our 'Kick off Kilometre' three times a week. Throughout the year, we will ensure the children are offered the 2 hours of physical activity through a curriculum PE lesson with the class teacher and a sport lesson with a coach. This will ensure there is coverage of the National

Curriculum, as well as children experiencing a range of sports, and progressing in given skills. All children in Key Stage 2 will have a weekly swimming lesson for one term.

Achievement and development for academic year 2018 - 2019

Key achievements to date	Areas for further improvement and baseline evidence of need

Swimming

All Key stage 2 pupils attend a full term of swimming lessons at the local swimming pool with each individual lesson lasting 30 minutes. Many of our pupils do not get the opportunity to go swimming outside school so it has been decided to introduce them to the water at the beginning of Key Stage 2 to hopefully increase their confidence in water based activities.

Meeting national curriculum requirements for swimming and water safety (2018-2019)	
Percentage of current Year 6 who swim competently, confidently and effectively over a distance of at least 25m	60%
Percentage of current Year 6 who use a range of strokes effectively (front crawl and back crawl)	33.3%
Percentage of current Year 6 who could perform self rescue in different water based situations	93.3%
Will Primary PE and Sport Premium be used to provide Top up swimming lessons?	Yes

2018-2019 PE and Sports grant allocation and intended expenditure

Based on the government funding formula of £16,000 per school and £10 per eligible pupil we are expecting a grant of £18,050 The school will also use some of their funding and pupil premium grants to assist with the below projects.

The following table outlines how St Patrick's Catholic Primary School has committed the funding to the following initiatives.

Proposed School Sports Funding Spending Plan 2018 - 2019

Aim / Proposal	Cost	Key indicator	Success criteria
To provide Top Up swimming for those Year 6 pupils who did not achieve 25m independent swimming	£500	Key indicator 1: The engagement of all pupils in regular physical activity	All Year 6 children will participate in curriculum swimming in the autumn term and complete an assessment at the end. Those children who don't achieve 25m distance will participate in intensive top up swimming lessons in the summer term to assist them in becoming more confident and competent in the water.
To ensure sports kit is available for all children representing the school when it's required	£1,000	Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement	All sports teams will have enough kit to represent the school at different sporting events (football, gymnastics and athletics kits in particular). Instill a sense of pride in the children when representing the school.
To improve team work and resilience and use sporting opportunities as a method of improving peer relationships and attitudes.	£10,000	Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement Key indicator 4: Broader experience of a range of sports and activities offered to all pupils	UK Military Schools programme for Year 3 and Year 5 and a half day session in every classroom focusing on emergency first aid. Improved attitudes and relationships between peers to lead to better team work and sportsmanship. Instil the ethos of resilience and communication.
To support and engage the least active children in physical activity	£2,500	Key indicator 1: The engagement of all pupils in regular physical activity	Create clubs links to the interests and the enjoyments of the more reluctant sports participants. Different lunch time clubs available to different year groups. Engage and work alongside JM Education (Judo) and Mersey Mavericks (Basketball).
To provide cover to release teachers to attend professional development courses	£1,000	Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport	Utilise training provided by LSSP and other providers as well as releasing staff to do team teaching with less confident or knowledgeable staff. Increased teacher knowledge and confidence to result in higher quality and engaging lessons throughout the school and across all sports.
To create links with external providers as part of CPD and pupil (refresher gymnastics and further athletics)	£2,000	Key indicator 4: Broader experience of a range of sports and activities offered to all pupils Key Indicator 5: Increased participation in competitive sports	Staff to work alongside external providers in team teaching opportunities both within the curriculum and as extra curricular clubs. Teacher knowledge to be increased with a view of embedding these sports in the future. The number of children attending extra curricular clubs will be increased (or at a minimum sustained).
To raise the profile of PE within the curriculum	£1,000	Key indicator 1: The engagement of all pupils in regular physical activity	Purchase 'Maths of the Day' for all year groups to use for 1 year. All staff to utilise these resources within their curriculum maths

		Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement	lessons to ensure pupils are active whilst learning or completing their maths activities.
To apply for the AfPE kitemark and the Schools Games kitemark	£500	Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement	Release staff to complete the application forms and host assessors for the awards. Successfully be awarded the AfPE and School Games Kitemark awards.
TOTAL:	£18,500		
*Additional spending will be provided through school budget and pupil premium funding. Other funding opportunities may be sought. *
