Dear Parents/Carers,

I cannot put in to words how happy myself and the staff are, that we have the majority of our children back in school. We are constantly assessing risk and adapting procedures if necessary. I am extremely grateful for the patience and kindness you have shown, particularly at the beginning and end of every day. Thank you so much.

We are constantly assessing risk and adapting procedures if necessary. With this in mind, we sent a questionnaire out earlier on in the week via email, asking your views on how the start of the school year has gone. We have had a number of responses to this, which have been extremely positive and constructive. Thank you to the parents and carers who have taken the time to fill this in, and we have taken all of your comments on board. A few of you have asked for more information regarding what happens if a child in our school tests positive. We have produced the accompanying sheet to try and answer some of these questions. If there is anything else that you are unsure of, then please phone school or email schoolclosures@st-patricks.liverpool.sch.uk and ask.

Another comment made, was about the cars in the car park in Windsor Street. This was something I had been worrying about, so we made the decision to close this car park. This will have a knock on effect to the parking on Windsor Street, but I would ask that you

- DO NOT park on the pavement, or on the zigzags
- Please be aware of our neighbours and do not park over their driveways
- DO NOT park across the gates.
- Walk or cycle if you can

I understand this may cause you some inconvenience, but I would sooner be doing that, than have a child get hurt, and I am sure you would agree with this.

As mentioned previously, we are currently trying to get PE tracksuits for the children; in the meantime they can wear their PE kit, school jumper or cardigan and dark (if possible) tracksuit bottoms.

It is very difficult to speak confidentially at the gate, therefore, if you need any help, or any questions, then please do not hesitate to contact us via email or the school office.

Yours sincerely

Mrs Lewis. (Headteacher)
