The 10-day period starts from the day they first became ill. If they still have a high temperature, they should keep self-isolating until temperature returns to normal. The school understands how to contact the local Public Health England Health Protection Team in the event of a positive test result for a member of staff or pupil: https://www.gov.uk/guidance/contacts-phe-health-protection-teams. The Health Protection Team will provide the specific advice and guidance the school is to follow in the event of a positive test result. If necessary a 'bubble' will be sent home and advised to isolate in line with guidance.	L M M
