

Autumn Parent Map Year 2
2020-2021

Subject	What we will learn	Resources, trips, visitors & ideas of what to do at home
English	<p>In the first couple of weeks of the autumn term, we will be catching up on year 1 English objectives from spring 2 and summer term.</p> <p>In the autumn term, we will read "The Night Gardener" using the text to develop our ability to write narratives based on a known text and write in role with letters. We will also be reading 'The Bog Baby" and use the book to help us extend vocabulary and language, develop character descriptions and write finding stories about unusual creatures. This text will also inspire us to write instructions about how to look after an usual creature.</p> <p>In our English basic skills, we will be:</p> <p>Writing sentences with different forms: statement, question, exclamation and command.</p> <p>Using expanded noun phrases for description and specification [for example, the blue butterfly, plain flour, the man in the moon, etc.].</p> <p>Using the present and past tenses correctly and consistently including the progressive form [e.g. I am writing, I was running, etc.].</p> <p>Using some of the diagonal and horizontal strokes needed to join letters when writing.</p>	<p>Ideas for the weekend: Going on an 'usual things' hunt in the park or a local forest. Where might the unusual things be hiding? Why?</p> <p>Trips: Visit Sefton Park Palm House or World Museum.</p> <p>Resources: Clay or PlayDoh to make an unusual character e.g. alien/bog baby etc.</p>
Maths	<p>In the first couple of weeks of the autumn term, we will be catching up on year 1 Maths objectives from spring 2 and summer term.</p> <p>Children will:</p> <p>Count in steps of 2, 3, and 5 from 0, and in tens from any number, forward and backwards.</p> <p>Read and write numbers to at least 100 in numerals and in words.</p> <p>Recognise the place value of each digit in a two-digit number (tens, ones).</p> <p>Identify, represent and estimate numbers using different representations including the number line.</p> <p>During our basic skills sessions we will be practising:</p> <p>Number bonds to 10.</p> <p>Reading and writing numbers to at least 100 in numerals and in words.</p> <p>Using place value and number facts to solve Problems.</p> <p>Solving problems with addition and subtraction.</p>	<p>Ideas for the weekend:</p> <p>Shopping with parents - counting home many food items have been purchased/using money to work out the value of food items/adding and subtracting to find the right amount of money or change.</p> <p>Trips: Local shop</p> <p>Resources: Shopping items</p>
