Dear Parents/Carers,

Firstly, on a personal level, can I just say a huge THANK YOU for your patience, kindness and understanding, over what has been a particularly challenging half-term. You have been absolutely amazing this half term, particularly where we have had to send 'bubbles' home. Your support has meant more than you would ever know, and I cannot thank you enough.

Harvest Festival.

We have spoken in school about those people in our society who are not as fortunate as most of us are. We are asking the children to bring in something for the food banks, which are needed more than ever, especially as lots of people have lost their jobs in the current crisis. There will be boxes at each gate in the mornings and evenings.

Tracksuits.

We have managed to source and order lovely, green school tracksuits, which will hopefully be here at the end of this week, or the beginning of the next half term. These are for children from Y1 to Y6. These have cost school £20, but all that we are asking for, is a donation of whatever you can afford towards the cost. Please send this in an envelope.

Microsoft Teams

We are working hard behind the scenes to ensure that this is accessible for all children. Please let us know if you have any problems. Guides on how to log on and how to use teams, can be found on our school website. Our teachers have provided videos of teaching when a bubble has had to learn from home. This cannot be replicated in paper, so it is extremely important that you access this system.

Thank you for your continued support.

Yours sincerely

Mrs Lewis. (Headteacher)
