Newsletter Issue 6

IT'S CHRISTMAS!!!! We have finally made it to the end of the term and we never let COVID beat us. Thank you to all of our families for supporting us and sticking by us, and the decisions that we made! It has been a long term, but your children have helped us get through... and we wish everyone a safe and merry Christmas.

Parent School App - We are in the process of setting up our new school app. From this app we will be able to send text messages, notifications and you can pay any money to school. As part of the setup process we need to have up to date email addresses and telephone numbers. Please complete the form below, using the link. Thank you to the families who have already completed the form.

Twitter - Please follow the school on twitter @st_patricks as there are lots of videos, pictures and information about the school and individual classes on this. This is a great way to find out what your child or the school has been doing.

Music performances and nativity - Over this week we have been sent out the links for you to enjoy all of our performances. They are absolutely incredible... special mention to Mr Larkin who wrote this year's nativity (including playing all the music) and organised all of the other performances... whilst welcoming a daughter in the middle of it all. WELL DONE, MR LARKIN. The links have been sent out via twitter or you can be found on our school website under the CHILDREN section and in the CELEBRATION VIDEO section.

Important Dates - see below, these are subject to change.

Emails - A couple of very important emails were sent out yesterday. Please check your inbox!

COVID Safe -

- Please **wear a face covering and social distance** when dropping off and collecting your child. This keeps us and other families safe
- If any of the children, your family become symptomatic over the weekend or test positive. Please email schoolclosures@st-patricks.liverpool.sch.uk
- If you or child displays COVID-19 symptoms, it is essential that you book a test and inform school ASAP
- These symptoms are a high temperature, a new, continuous cough, and a loss or change to your sense of smell or taste
