

This week has seen us watch a play on Anti-Bullying and learn some fantastic new hymns. Your children were also highly respectful when we conducted our 1-minute silence in school. Next week is antibullying week and the theme is '**One Kind Word**'. On Monday we are inviting the children to wear odd socks to school to celebrate being different.

Reading - Our new phonics scheme is called Read Write Inc. If, your child is given a Read Write Inc Storybook to take home and read during the week, please can they be returned to school **every Monday** as children will be reading their storybooks during their daily phonics sessions. It is important that these books are returned to school so they can continue to be used during our phonics lessons.

Attendance - If your child is going to be absent, please notify the school as soon as possible to let us know on 0151 709 1062. We have been working with the Educational Welfare Officer as she has been looking into our attendance and ways to support. Some families will be receiving letters letting them know their child's attendance. It is so important that your child is in on time, and in school every single day; a missed school day is a missed opportunity to learn, and can severely impact your child's life chances .

School Photos - If you want to buy your school photos, please hand your money into the office by Friday 19th November. After this time, you will have to buy them online.

Safeguarding - Please find enclosed a support guide to help you set up parental controls on an iphone
