

Children's Mental Health week was an absolute blast! Thank you so much for getting involved this week. It was lovely to see so many parents and pupils getting involved. Keep an eye on our twitter and don't forget to retweet anything exciting that you are doing! 1st and second place for our gymnasts and 2nd place for our footballers.

Safeguarding – Click on the link for advice on safer internet resources for parents [Safer Internet](#)

Breakfast Club – Our breakfast club is a free service for the children in our school. You do not need to book a place, but we do ask that you arrive before 8:15. Any children who arrive after this time we will not be able to let in.

Attendance: –

If your child has a medical appointment, then they must attend school around that appointment. It is not reasonable for them to have the whole day off unless there are exceptional circumstances. Please provide proof of all appointments.

Trips and Visits – As COVID restrictions are slowly easing you will find your child now attending more trips and competitions. Year 6 are visiting Sefton Park this week, taking a Beatles tour and going to the Tate gallery.
