HAPPY HALF TERM! We have had an amazing half term in school and have so many plans for next half term. Please see the bottom of this email for important dates list.

Safeguarding – Click on the link for advice on mental health support if you think your child is in crisis [Alder Hey Crisis Team](#)

World Book Day – Thursday 3rd of March is World Book Day. We will all be using the same book for that day called 'Leon and the place between'. On world book day we would like the children to come dressed in circus themed outfits or brightly coloured clothes so we can celebrate the book all together. We are asking for a pound donation, and this will go towards buying new books for the school. We will also be having a book swap stall at the end of the day. If you have any unwanted books, could you bring them to school by Wednesday 2nd March (to the office) and then on Thursday at 3:15 we will have tables set up outside where you can help yourself to donated books.

Attendance: – We are becoming increasingly worried about the number of children who are having days off sick. Whilst your child is not in school, they cannot learn. We have an outstanding offer of education, and we want your child to be fully able to access their education. If your child is a little under the weather, it is better to send them in and staff will send them home if they are unable to access their learning. The local authority monitors our attendance and meet weekly with us to discuss families and will intervene if they feel that families are having too many days off. Please speak to school (Miss McKenna) if you are having difficulty in getting your child in, or whether you need involvement from the school nurse.
