

Our wonderful Y6 pupils went on their residential holiday and had an absolute ball. It is so exciting to be able to bring these experiences fully back for our pupils. There were lots of tired faces on their return... and that was just the staff! Follow us on twitter to keep updated with all the latest pictures, videos, and information. **Safeguarding** – This week's safeguarding focus is looking at parents mental health and ways to support when you are faced with stressful situations [Dealing with stress](#)

**Parent Questionnaire** – We are constantly trying to improve and look at what is working well. Please complete the questionnaire to support how our school grows. [Parent Questionnaire](#)

**Easter Raffle** – Tickets will be sold from Monday for 10p each. Teachers will collect the money in class. There are 4 hampers being raffled off.

**Reading books** – Please can you ensure that your child is reading at home. They should have a reading book and record. If you can please sign these with a little comment telling us if your child enjoyed the book.

**Attendance:** – If your child has a medical appointment, please email proof to the office, and bring your child in after the appointment if they are well enough. **Our school target is 100% but minimum of 97%**

**We have really struggled this week with attendance. Please try and make sure your children are in school. Each week a member of the local authority comes into school to look at our attendance. They go through all children and then contact those who they have concerns with. Please let Miss McKenna know if you are having any problems with getting your children into school.**
