

Year 1

Summer Curriculum Map

<u>Subject</u>	<u>What we will learn</u>	<u>Resources, trips and visitors</u>
English	<p>This term we will start by reading Paper Planes by Jim Helmore which is a Promise Narrative, our writing focus is to write messages to each other.</p> <p>Then we will be reading The Last Wolf by Mini Grey which is a Hunting Narrative. Our writing focus for this topic will be to write different recipes.</p> <p>For more information please see Y1 English milestones http://stpatricksliverpool.co.uk/wp-content/uploads/2017/12/Reading-end-of-year-milestones.pdf http://stpatricksliverpool.co.uk/wp-content/uploads/2017/12/Writing-end-of-year-milestones.pdf</p>	<p>Ideas for the weekend: write messages to your friends and family, post them on your daily walk or on Twitter. Help to write recipes for your favourite meals. Trips: Resources: Access to our library Bug Club</p>
Maths	<p>Our work this term will focus largely on measuring. We will be using scales to find items that are heavy and light, seeing which containers have the most and least capacity and using different items to measure length. We will also learning about the days of the week, months of the year and sequencing our days. This will help us a lot when we learn to tell the time by the hour and half past the hour.</p> <p>For more information please see Y1 Maths milestones http://stpatricksliverpool.co.uk/wp-content/uploads/2017/12/Maths-end-of-year-milestones-.pdf</p>	<p>Ideas for the weekend: Pairing items such as socks! Sharing different treats, like sweets! Measuring equipment (length and capacity), baking or cooking.</p>
Science	<p>Our topic in science this term is plants. We will be looking closely at the structure of trees. We will carry out observational drawings, labelling different parts of a tree. We will be identifying and comparing deciduous and coniferous trees and thinking about seasonal changes. We will plant seeds and bulbs making observations about their life cycle. We will identify different parts of a flower. We will identify some common plants and flowers. We will observe changes in a bean plant making a record over time. comparing For more information please see Y1 Science milestones http://stpatricksliverpool.co.uk/wp-content/uploads/2017/12/Science-end-of-year-milestones-.pdf</p>	<p>Ideas for the weekend: Visits to the park to look at plants and trees. Plant seeds or bulbs in pots or containers. Record what happens over time. Trips: Resources: Seeds, bulbs, books about plants and trees.</p>
RE	<p>Our final three topics include 'Holidays and holy days, followed by 'Being Sorry' and 'Neighbour's'.</p>	<p>Ideas for the weekend: Visit</p>

	<p>We will explore how new life can positively impact lives, and how different networks of friendships and relationships enable human beings to live together.</p>	<p>mass at your local church</p> <p>Trips:</p> <p>Resources:</p> <p>Bible stories</p>
History/Geography	<p>In History, we are going to be learning about seaside holidays. We will use different resources to find out about holidays in the past comparing them to holidays today. We will use different sources of information including photographs, pictures and written information to gain knowledge and make conclusions. We will create a timeline to sequence key changes, looking closely at clothes and beach toys and activities. To find out more information please see Y1 History milestones</p> <p>http://stpatricksLiverpool.co.uk/wp-content/uploads/2017/12/History-end-of-year-milestones-.pdf</p>	<p>Ideas for the weekend:</p> <p>Talk about experiences of visiting a beach. Locate coastal areas around Liverpool on a map.</p> <p>Trips:</p> <p>Resources:</p> <p>Information Books from the library</p>
Art/DT	<p>This term our Art topic is Paper Art. We will be looking at the artist James Morrison. We will be looking at the different ways you can use paper to create art such as sculpture and paper mache. We will be using the vocabulary construct, model, spiral, pinching, modelling, pressing, origami, sculpture, collage</p> <p>For more information please see Y1 Art milestones</p> <p>Our DT this term is Teddy Bears Picnic. We will be tasting and evaluating different foods you might have at a picnic and then designing and making our own fruit kebabs and sandwiches to take on our own picnic.</p> <p>For more information please see Y1 DT milestones</p> <p>http://stpatricksLiverpool.co.uk/wp-content/uploads/2017/12/Art-end-of-year-milestones.pdf</p>	<p>Ideas for the weekend:</p> <p>Try using different types of paper such as tissue, crepe, newspaper to create different types of art. You could use paper mache to make a sculpture like a piñata. Follow instructions to make simple origami animals. Help to make a yummy picnic to have with your family.</p> <p>Trips:</p> <p>Resources:</p> <p>different types of paper</p>
Computing	<p>Our Computing topic this term is Coding. We will be learning how to give computers a set of instructions called algorithms. We will learn that an algorithm written for a computer is called a program.</p> <p>For more information please see Y1 Computing milestones</p>	<p>Ideas for the weekend: Have a go at some coding games like minecraft</p> <p>Trips:</p> <p>Resources:</p> <p>Different coding apps and games</p>
PE	<p>For more information please see Y1 PE milestones</p>	<p>Ideas for the weekend:</p> <p>Organise a family sports day</p>

	http://stpatricksLiverpool.co.uk/wp-content/uploads/2017/12/PE-end-of-year-milestones.pdf	practicing different athletic sports such as relay and hurdles with your child. Play a game of cricket or tennis in the back garden or local park. Trips: Resources: PE kits every Tuesday
