

# Attendance Policy

Created by the children of  
St Patrick's

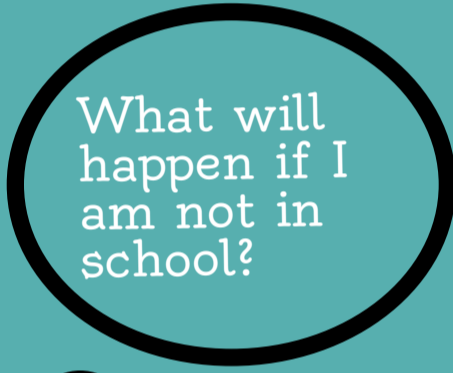

We should:

- Be in school on time at 8:45
- Be in every day
- Our grown ups must let school know if we won't be in school and why.

If you are not in school and we don't know why:

- Your grown up should have a phone call home from the school office.
- We may visit your house to check that you are ok.

When is it ok to stay off school?

- If you are really unwell.
- Whilst you attend a medical appointment. It is not ok to take the whole day off school.

When is it not ok to stay off school?

- To go on holiday.
- If you are tired.
- Worried about something (tell school so we can help)
- To go shopping
- If it's your birthday
- To visit family.

If you are not in school you will miss...
