School Support - If you have any worries or concerns please speak to someone in school. We are always here to help. However, if it is something of a more confidential nature and you would prefer to email us please use the following address - schoolsupport@st-patricks.liverpool.sch.uk this will go through to our safeguarding team.

Safeguarding - Our duty of care is to keep all the children and families in our school safe. All staff are trained in safeguarding children and families. Please follow the link to our safeguarding page [Safeguarding at St Patrick's](#)

Attendance - If your child has a medical appointment, please email proof to the office, and bring your child in after the appointment if they are well enough. We have lots of families keeping their child off all day when they have appointments and this is not necessary. **Remember our school target is 100% but the minimum we accept is 97%. If your child is not in they are missing valuable learning time. We may ring or pay you a visit if you have not informed us of your child's absence.**

Important Dates for the Autumn Term

We have tried to compile a list of dates for the coming term. However, as always with planning this far in advance, dates may be subject to change. We endeavour to let you know within good time if dates have to be changed. Please keep an eye on the website, twitter and any letters sent out. We have assemblies every Monday at 2:45pm and Friday 9:00am and all are welcome to attend. We offer parent coffee mornings, where you can come and find out a bit more about specific areas of learning. Do not feel obliged to attend them all, they are very informal and led by our own staff.
