

Ofsted - As you will know, we had our Ofsted inspection on Tuesday and Wednesday of this week. The report has to go through various checks, and we will be able to share it with you in approximately 30 days. Until that time, we are unable to share the results with you. What I will say is that the children were absolutely fabulous, and the inspection team said that they were a 'delight'. Thank you so much for your kind words, thoughts and prayers for us as we went through this difficult, challenging and stressful process.

It's Your Child's Life - Parents in Nursery/ Reception/Year 1 are invited to attend a 5-week course every Tuesday at 9am for an hour. In this course you will be given ideas about how to support your child's learning at home. If you would like to attend, please meet at the office at 9am every Tuesday for the next 5 weeks.

Safeguarding - Positive parenting. Please follow the link for tips and hints on how to set boundaries and build positive relationships with your children [Positive Parenting](#)

Extra-Curricular Clubs - All clubs are now full and start again next week. If your child did not get into the club that they wanted, we can put them onto a waiting list. We will monitor the attendance of clubs to see if spaces become available. Also, if your child chooses not to attend a club, please let the school know so we can give their place to someone else. Here is a link to the club page [Extra- Curricular Timetable](#)

Morning Clubs - Breakfast club is on every morning for children in Reception to Year 6 free of charge. Mr. Duncan runs sports clubs on Monday, Wednesday and Friday for all children free of charge.

Attendance - If your child has a medical appointment, please email proof to the office, and bring your child in after the appointment if they are well enough. We have lots of families keeping their child off all day when they have appointments, and this is not necessary. Remember our school target is 100% but the minimum we accept is 97%. If your child is not in, they are missing valuable learning time. We may ring or pay you a visit if you have not informed us of your child's absence.

PLEASE, PLEASE send your child to school. Attendance is low at the moment

Whole School	Reception	Y1	Y2	Y3	Y4	Y5	Y6
94.3%	92.3%	94.7%	94.7%	92.7%	92.7%	94.3%	96.6%

Persistent Absence - If your child's attendance drops below 90%, they become a persistent absentee. What this means is that Liverpool City Council Education Welfare Officer becomes involved to support school and families with improving attendance. We understand that there have been lots of nasty bugs floating around, but it is our duty to make sure that there are no underlying issues. You may receive letters or phone calls, but please remember we are trying to help.
