

Car engines - Please do not leave your engine running whilst waiting to drop off and collect your children. It is not good for our children breathing the fumes in or the impact that this has on the environment.

Attendance - If your child has a medical appointment, please email proof to the office, and bring your child in after the appointment if they are well enough. We may ring or pay you a visit if you have not informed us of your child's absence.

Parents - Please find attached a [Parenting newsletter from Liverpool City Council](#)

Y3 & 4 Gymnastics on Wednesdays is now cancelled until further notice
